# Take Action Project Decision Bracket

What are your talents and skills?
What did you do for fun?

Combine the final pair to create
your Take Action project!

What bothers you?
What issues do you want to solve?
Who do you want to help?

Take Action Project Decision Bracket

In this example, your Take Action project might be to create an app that locks your phone before you drive, then sends a unique code to someone who's not in the car. You can't use your phone until the person with the code unlocks it.

What are your talents and skills?
What did you do for fun?

Combine the final pair to create your Take Action project!

What bothers you?
What issues do you want to solve?
Who do you want to help?

Step 1
Fill in these boxes.

Step 2
Fill in these boxes.

Step 3
For each bracket, choose one.

Step 4
Continue until you have a final pair, then combine them to create your project!
