The screenshot shows the top navigation bar with 'SHOP', 'DONATE', and 'MY GS' buttons. Below the navigation is a breadcrumb trail: 'Members / For Volunteers / Volunteer Training & Program Resources / Cookie Resources / Troop Cookie Manager Information'. The main heading is 'Troop Cookie Manager Information'. Below this, there is a section titled 'Important Information for the 2024 Girl Scout Cookie Program' with a list of links: 'Cupboard Authorization Form', 'Order Card- Mini', and 'Cookies for a Cause Receipt'. At the bottom of the page, there is a large green 'JOIN' button.

The graphic features the Girl Scouts Carolinas Peaks to Piedmont logo at the top. Below the logo is a blue dolphin holding a cookie. To the right are images of various cookies: a round one, a ring-shaped one, and a half one. The text reads 'Just in Time Cookie Newsletter' in a pink and blue font. At the bottom, it says 'Everything You Need to Know for the 2023 Girl Scout Cookie Program'.

The form is titled 'CUPBOARD AUTHORIZATION FORM - 2024 COOKIE PROGRAM'. It has fields for 'TROOP #' and 'SERVICE UNIT:'. Below these is a table for 'CUPBOARD COOKIES RECEIVED:' with columns for DATE, ADV, TY, LEM, TRF, TM, PBP, CD, PBS, TOTAL, and RCP #. At the bottom, there are two boxes: 'COOKIES CANNOT BE RETURNED OR EXCHANGED!' and 'PLANNED ORDERS MUST BE PLACED IN SMART COOKIES BY SUNDAY AT 11:30 PM OF THE WEEK YOU PLAN TO PICK THEM UP.' with a small pink bug icon.

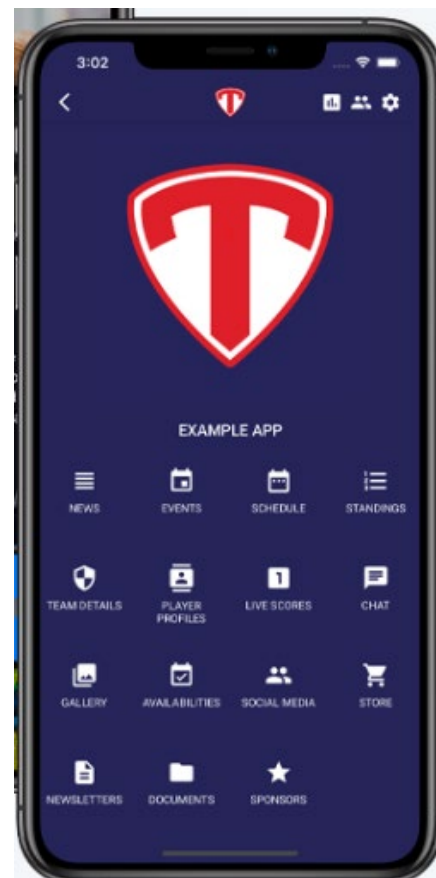

Two 'COOKIES FOR A CAUSE 2024 Tax Receipt' forms are shown. The left form is for a 'Troop' and the right is for an 'Adult Customer's Name/Phone'. Both forms include a 'Thank you for your donation of cookies to Cookies for a Cause.' message and a table for recording purchases. The table has columns for 'Item Name (Print)', 'Quantity', 'Price Per Package', 'Address', 'Phone/Fax/E-mail', and 'Amount of Purchase'. Below the table is a 'Total' row. The right form also includes a 'Please Note' section with fields for 'Please Name', 'Adult Customer's Name/Phone', and 'Troop #'. At the bottom right, there is a small 'girlscouts' logo.

5 Skills...The Girl Scout Cookie Program is more than selling cookies...

Goal Setting

Girls set cookie sales goals and, with their team, create a plan to reach them. This matters because girls need to know how to set and reach goals to succeed in school, on the job, and in life.

Decision Making

Girls decide where and when to sell cookies, how to market their sale, and what to do with their earnings. This matters because girls must make many decisions, big and small, in their lives. Learning this skill helps them make good ones.

Money Management

Girls develop a budget, take cookie orders, and handle customers' money. This matters because girls need to know how to handle money—from their lunch money to their allowance to (someday) their paycheck.

People Skills

Girls learn how to talk (and listen!) to their customers, as well as how to work as a team with other girls. This matters because it helps them do better in school (on group projects, on sports teams, and on the playground) and, later, at work.

Business Ethics

Girls act honestly and responsibly during every step of the cookie sale. This matters because employers want to hire ethical employees—and the world needs ethical leaders in every field.

Who Can Sell Girl Scout Cookies?

Because this is a learning activity for girls, a Girl Scout should be involved in each transaction!

Girls/families with past debt may participate in booth sales only!

All registered Girl Scouts can sell cookies if they have parental permission

Who Can Sell Girl Scout Cookies?

Be sure to collect Parent Permission Forms for ALL girls participating!

Parent/guardian should list all persons that can pick up cookies on their behalf. Issue cookies to those listed here or parent/guardian that signed form only.

PARENT/GUARDIAN PERMISSION & RESPONSIBILITY FORM 2024 COOKIE PROGRAM

My Girl Scout _____, a member of Girl Scout Troop # _____, has my permission to participate in the 2024 Girl Scout Cookie Program. I will see that she has adult guidance and supervision at all times while participating and will respect the December 19, 2023, start date. My signature below indicates agreement with the following 13 statements.

- 1) I understand my daughter must be registered with Girl Scouts Carolinas Peaks to Piedmont (GSCP2P) to participate.
- 2) I accept responsibility for all cookies received by my Girl Scout and any money collected and owed to her troop. I also understand that I am required to pay money due to the troop in full and on time and that failure to pay will result in a 1% monthly late fee (12% APR) and may include the use of a professional collection agency, civil action or criminal prosecution for any amount outstanding. I further understand that I will be responsible for paying any fees or expenses associated with any collections processes. I will always request a receipt any time cookies or money changes hands to or from me.
- 3) I understand that all cookie money collected must be given to my Girl Scout's troop volunteer by council-set deadlines or any earned reward items may be withheld until the council receives the outstanding balance. If my account is delinquent and not brought current prior to the expiration of ticketed or time-sensitive reward items, the council will not be obligated to issue, replace/reissue, substitute or refund the value of said rewards. The council will also not issue reward items (merchandise, patches, pins, Cookie Dough, Daisy Dollars, tickets, admission to events, experiences, etc.) to my Girl Scout, and I also understand that my daughter will not be eligible for any scholarship rewards if my account is not paid in full by March 15, 2024.
- 4) I understand that Cookie Dough or invitations/discounts to special events/experiences my Girl Scout earns as part of the rewards program are valid **only** on the date(s) specified or printed on them. They are non-transferrable and not redeemable for cash. I understand the council will not be responsible for lost, stolen or damaged tickets/invitations or Cookie Dough.
- 5) I understand that our council reserves the right to substitute reward items of equal or greater value with or without notice.
- 6) I understand that if my Girl Scout is found selling cookies before the official start date of December 19, 2023, she will not receive reward items or credit for orders placed prior to the official start date.
- 7) I understand that unsold cookies cannot be returned or exchanged and that I am obligated to pay for all the cookies ordered through my Girl Scout or by my Girl Scout. I also understand that payments must be made on the date/time designated by my troop. I am also responsible for payment of cookies received for my Girl Scout or signed for by any of the individuals listed below.
- 8) I understand that I cannot sell the cookies beyond their "Best By" or expiration date.
- 9) A troop volunteer has explained the girl rewards program and troop proceeds plans with me. I understand that my daughter will only receive all the merchandise reward items and/or Cookie Dough if my troop elects the base troop proceeds plan.
- 10) I understand that cookies are \$5 per package and my Girl Scout will charge only \$5 per package to her customers.
- 11) I understand that profits from the Girl Scout Cookie Program belong to my Girl Scout's troop- not my daughter as an individual.
- 12) I understand adults serve in a supporting role for girls and should not assume sole responsibility for sales.
- 13) I understand that if my troop elects the base troop proceeds plan and my daughter reaches a rewards level with a choice, I must submit her reward choice to her troop volunteer prior to March 4, 2024.

Digital Cookie is a unified online selling platform that allows Girl Scouts to sell cookies through their personalized storefront or by using a mobile app.

Girl Scouts can manage their online sales, inventory, and financials using Digital Cookie.

Customers are invited by Girl Scouts to purchase cookies online.

Troop volunteers use Digital Cookie to set up and manage sales for the troop ship only link. They support Girl Scouts with visibility to the troop's online activities.

Girl-Delivery Orders

Digital Cookie reflects an overpayment to troop (from girl) for funds collected online until TCM enters T2G transfers and entries on Virtual Cookie Share screen (for donation/C4C orders)

Example: If a girl sells only 1 pkg online for girl delivery plus 1 pkg online as a donation/C4C order

PRIOR TO T2G FOR 1 PKGS & VIRTUAL COOKIE SHARE ORDER FOR 1 PKG PRIOR TO BEING ENTERED IN SC BY TCM

Cookies Sold: 0 Pkgs

Girl Balance Due to Troop: -\$10 (credit)

AFTER TO T2G FOR 1 PKGS & VIRTUAL COOKIE SHARE ORDER FOR 1 PKG ENTERED IN SC BY TCM

Cookies Sold: 2 Pkgs

Girl Balance Due to Troop: \$0

Cookies for a Cause Sales

"Donation" orders in Digital Cookie are Cookies for a Cause orders, not financial donations to the troop.

Cookies for a Cause (C4C) = Donation = Cookie Share

DC24 Cloud

Digital Cookie vs. Smart Cookies

- DC24 - All orders placed on Digital Cookie are paid (by credit card) when the order is placed, including those for girl delivery.
- DC24 - Parent can “turn off” cookies available by variety for girl delivery.
- DC24 - Troop volunteers can refund credit card payments to customers (full payment only, not partial).
- DC24 - Parents with multiple Girl Scouts have one login and toggle between accounts.
- DC24 - Girl-delivery orders can be approved by guardian from dashboard (does not require approval e-mail)

DC24 Cloud

Digital Cookie vs. Smart Cookies

- DC24 & SC - Girl can see only one rewards plan in Digital Cookie – will be base plan of \$.75 per package (note for \$.80 higher proceeds option).
- No girl user accounts in Smart Cookies.
- Cookies shipped directly to customer called “ship only” in Digital Cookie
- Girl-delivery cookie share/donation/Cookies for a Cause orders **MUST** be entered by the Troop Cookie Manager on the virtual cookie share screen in Smart Cookies for the girl and her troop to receive credit for the sale.
- No changes to troop reporting feature in Smart Cookies.

DC24 Cloud

Digital Cookie Mobile App

- Girl must set up account using online platform prior to using Digital Cookie Mobile App.
- Mobile App – Take/view orders and collect payment. Does not include all full web browser features (web browser version is screen responsive).
